

Chicago's **only** fundraising event for *community oral health*

Erie Family Health Center

proudly presents the

2010 Golden Toothbrush Awards Luncheon

Join Erie as we focus on the importance of oral health and its direct impact on a person's overall health. Chicagoans without health insurance lack access to dental care and as a result their overall health suffers. By attending this event, you will demonstrate your commitment to improving the oral health of our community.

Tuesday, May 25, 2010

11:30 a.m. – 1:30 p.m.

The InterContinental Chicago
505 North Michigan Avenue, Chicago

Look for your invitation in the mail.

Erie Family Health Center

1701 West Superior
