#GivingTuesday 2022!

THANK YOU for joining the Vision*Erie* Team! We set a goal this year to raise \$60,000 to support Erie Family Health Centers' mission and programs. As a Vision*Erie*, you can choose to raise funds for:

- **General Support** This gives Erie Family Health Centers the flexibility to use funds raised where it is needed the most, including offsetting the cost of providing care to uninsured and underinsured patients.
- **Patient Resources** Funds raised will go towards resources that impact patients' whole health, like food boxes, newborn essentials, transportation vouchers, children's books, home-use medical devices, and more.

There is no fundraising minimum, however, VisionEries are encouraged to raise at least \$100.

GETTING STARTED

It will take about 5-10 minutes to complete the set-up process.

- Go to <u>http://erie.health/gt22</u>
 *the page works best on Google Chrome or Firefox
